ITCHING SCALP HUMOR

Lady Suffered Tortures Until Cured by Cuticura—Scratched Day and Night.

"My scalp was covered with little pimples and I suffered tortures from the itching. I was scratching all day and night, and I could get no rest. I washed my head with hot water and Cuticura Soap and then applied the Cuticura Ointment as a dressing. One box of the ointment and one cake of Cuticura Soap cured me. Now my head is as clear as my hair is growing splendidly. I have used Cuticura Soap ever since, and shall never be without it. (Signed) Ada Smith, 309 Grand St., Jersey City, N. J."

MODERN METHODS OF SPELLING

Exchange Tells of Hardships They Caused One Unfortunate.

"Imagine the case of a person who at different periods of his life was obliged to learn to spell all over again," said the professor. "I knew of such a man, not originally a poor speller, who was compelled thrice to take up the study of orthography. It happened in this way: 'This friend of mine was reared in the country, attended the school, and acquired therein the necessary proficiency under the rules of the old-time teacher. As a matter of fact he learned to spell while standing. It was a curious fact that for many years that man could not spell some of the simplest words unless he stood up. On his feet, he was the best speller in the class, and acquired many a prize in the spelling 'bees.' There was not a pupil in those days who could 'turn him down,' when it came to an exercise in upright orthography. 'Then, years afterward, he had to learn to spell with a pencil. All his spelling talent went into his pencil. His tongue had lost its cunning, and whether standing or sitting he would miss the easiest words, unless he used his pencil. 'Finally, with the advent of the typewriter, he was obliged again to learn how to spell, this time with the machine. Queer thing, isn't it? Unless the word is a simple one, my friend's tongue refuses its aid, his pencil declines to afford its old-time help, and he is compelled to refer to the writing machine. And yet he's a good speller.'—The Sunday Magazine."

Chinese newspapers, owing to the cheap quality of paper used and to the low price of labor, both literary and mechanical, are issued at an extremely small figure. The price of the ordinary Shanghai journal is four cash, or about one-fifth of a cent.

Deafness Cannot Be Cured

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. E. J. Cramer & Co., Toledo, O. Conviction Follows Trial

When buying loose coffee or anything your grocer happens to have in his bin, how do you know what you are getting? Some queer stories about coffee that is sold in bulk, could be told, if the people who handle it (grocers), cared to speak out.

Could any amount of mere talk have persuaded millions of housekeepers to use

Lion Coffee,

the leader of all package coffees for over a quarter of a century, if they had not found it superior to all other brands in Purity, Strength, Flavor and Uniformity?

This popular success of LION COFFEE can be due only to inherent merit. There is no stronger proof of merit than continued and increasing popularity.

If the verdict of MILLIONS OF HOUSEKEEPERS does not convince you of the merits of LION COFFEE, it costs you but a trifle to buy a package. It is the easiest way to convince yourself, and to make you a PERMANENT PURCHASER.

LION COFFEE is sold only in 1 lb. sealed packages, and reaches you as pure and clean as when it left our factory.

Mrs. Chester Curry

one woman in twenty-five but what suffers with some derangement of the female organism, and this is the secret of so many unhappy homes.

No woman can be amiable, light-hearted and happy, a joy to her husband and children, and perform the duties incumbent upon her, when she is suffering with backache, headache, nervousness, sleeplessness, bearing-down pains, displacement of the womb, spinal weakness or ovarian troubles.

Irritability and snappy retorts take the place of pleasantness, and all sunshine is driven out of the home, and lives are wrecked by woman's great enemy—womb trouble.

Read this letter:

Dear Mrs. Pinkham:

"I was troubled for eight years with irregularities which broke down my health and brought on extreme nervousness and despondency. Lydia E. Pinkham's Vegetable Compound proved to be the only medicine which helped me. Day by day I improved in health while taking it until I was entirely cured. I can attend to my social and household duties and thoroughly enjoy life once more, as Lydia E. Pinkham's Vegetable Compound has made me a well woman, without an ache or a pain."

—Mrs. Chester Curry, 48 Saratoga Street, East Boston, Mass.

At the first indication of ill health, such as irregular menstruation, pain in the side, headache, backache, bearing-down pains, nervousness, or any other ailment, secure at once a bottle of Pinkham's Vegetable Compound and use it.
